REVISED - DECEMBER 28, 1961
REVISED - MARCH 7, 1962

TOWN OF BETHLEHEM - ALBANY CO., N. Y.
The Planning Board
has approved the street layout as shown on this plan - under the following conditions - that the proposed new portion of Frederick Pl. shall be suitably graded and paved in accordance with standard specifications and procedure acceptable to the Town Board; and that the proposed new portion of Brockley Dr. shall be constructed from Brockley Dr. through to Charles Blvd. (an existing Town street) at the present intersection with Frederick Pl. (also an existing Town street), and also upon condition that adequate disposal of sanitary wastes be provided and storm drains be installed all in accordance with the standard plans and procedure acceptable to the appropriate governmental authorities.
