Property Access Authorization & Meter Pit Acceptance Form

I, William Locke and I, Nora Locke, being the property owners of 16 Lee Avenue in Slingerlands, NY 12159, give the Town of Bethlehem Water Department permission to access my property with equipment and personnel to install a water meter pit on my property. We accept complete ownership and responsibility of said meter pit and all piping once the meter pit and water meter have been installed by the Town of Bethlehem water department. The Town will only maintain the water meter and the transmitter in the pit. We also understand that there will be no cost to us for any of the labor, equipment or material for the meter pit installation and that the water department will come back to complete the lawn restoration back to pre-excavation condition once the excavated area has had time to properly settle.

IN WITNESS WHEREOF, the parties have executed this authorization & acceptance agreement.
