

TRAIL MAINTENANCE NOTES;

Vista Technology Campus Nature Trail Maintenance Plan

Constructed portions of the trail will be located in an easement in the name of Vista Development Group.

Vista Development Group will be responsible for the development and maintenance of all approved trail segments.

Signage will include trail markers and trail head signs that will provide general direction and location of trails and trail heads.

The trail will generally be constructed of a five foot wide three inch deep section of wood chip material. Section of the trail may be constructed from other materials.

Where practicable a two foot wide natural buffer will be established and maintained as needed. Maintenance will take place between April 1st - November 15th.
